Editorial Board

Authors should follow carefully the Notes provided on the inside back cover when preparing their manuscripts, and submit them to the most appropriate Board member (or, if in doubt, the Editor). Papers involving the general sociology and/or philosophy of science will be considered only if the *prime* concern is with the history of science.

For Instructions to Authors, please visit our website: http://www.tandf.co.uk/journals/titles/00033790.asp or contact the Editor.
